tahitian vanilla 2 vanilla beans Grand Cru Tahaa

Printed glass tube for long conservation of 2 vanilla beans **Grand Cru Tahaa®**

Net Weight : 8/14 grs depending of length (12 to 14 cm long)

Shelflife 2 years

Our Premier "**Grand Cru Tahaa®**" Vanillas gradually release a fruity, smooth aromatic bouquet featuring sublime and delicate floral notes. Let your senses soar !

Our vanilla beans are NOT from OGM plantations.

Suggested uses: Open the bean lengthwise with the tip of knife, scrape out the tiny black seeds and mix them into your dish. The bean itself can be cooked but open it lengthwise before.

Its aroma and flavor make vanilla a perfect addition to any savory dish (particularly fish and seafood) and truly delicious on fresh fruit in salads, preserves or coulis, etc...

How to keep : You can leave them in their freshness zip bag or in an air-tight jar, in a cool and dry place

Sachet of 2 vanilla beans

Net Weight : 8/14 grs

Bon appétit !
