Price: 21.90 €

Description:

Tahiti vanilla powder jarr

Ingredients: 100% Tahitian vanilla powder, free from preservatives, artificial color or flavor.

Net weight 0,64 oz

Thinness of 300 microns

Shelflife 3 years

Recommended dosage: 1 teaspoon per liter or kg

About 6 kilos of mature beans must be harvested to produce one kilo of pure fine vanilla powder.

Our Plantation Natural Vanillas are carefully combined to obtain a product with exceptional flavor.

The flavor palette wonderfully recreates the sublime creamy, flowery and chocolate notes typical of Tahitian vanilla.

Suggested uses: can be used as a substitute for vanilla beans, also used in cooking for preparing savory dishes (foie gras, fish, duck) as well as in pastries.

Bon appetit !
